Cleaning Up Gives a Fresh Start

The Clean Team, a work and job skills development program, has been on duty since 2008. Teams of 5-10 men provide litter pick-up, event set-up, dumpsite clean-up and a variety of rubbish removal and cleaning services.

The vision is to teach formerly homeless men workplace skills essential for success in today's job market. The Clean Team is real work for real wages performed by men learning to become self-reliant and productive in society.

Mayfair Festival of the Arts, The Kutztown Folk Festival, The Great Allentown Fair, Coca-Cola Park and the City of Allentown have all relied on the Clean Team for set-up and clean-up jobs.

The Clean Team is operated by the Allentown Rescue Mission Clean Team, LLC.

The Clean Team carries liability insurance and Pennsylvania workers' compensation insurance.

**The Clean Team can
